SUBJECT: BLUE LANTERN LEVEL 3: PRE-LICENSE END-USE CHECK
ON APPLICATION 050091259

REF: 2006 BLUE LANTERN GUIDEBOOK

[¶1](#). This is an Action Request. See paragraphs 2-4.

[¶2](#). The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests post's assistance in conducting a pre-license check on application 050091259 for the export of a KC-135 spare part to the French Air Force. Post is requested to complete this Blue Lantern check within 30 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[¶3](#). Reason for request: Unfamiliar foreign consignee, Satori, present on Department's watchlist and never subject to prior Blue Lantern check.

[¶4](#). ACTION: Embassy is requested to make inquiries with appropriate Satori officials to determine if it has ordered the KC-135 spare part and that it will be used for the purpose stated on the license. Department requests that Embassy conduct a site visit to Satori in order to provide an assessment of its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. POC at Satori is Karine Charlemagne, Purchasing Manager, TEL: 33-0-1-46-62-73-00; reference Purchase Order # N084247 dated Feb. 22, 2008. The following questions are offered as suggested guidance with Satori:

- Can Satori provide documentation from the French Air Force establishing it as the end user of item listed in paragraph 5 below?

- Who are Satori's main customers?

- Does the company understand the restrictions on United States Munitions List (USML) articles, particularly regarding re-export and retransfer?

If a site visit is not possible, please inform PM/DTCC case officer. End action.
